

Uptick Curated

December Edition

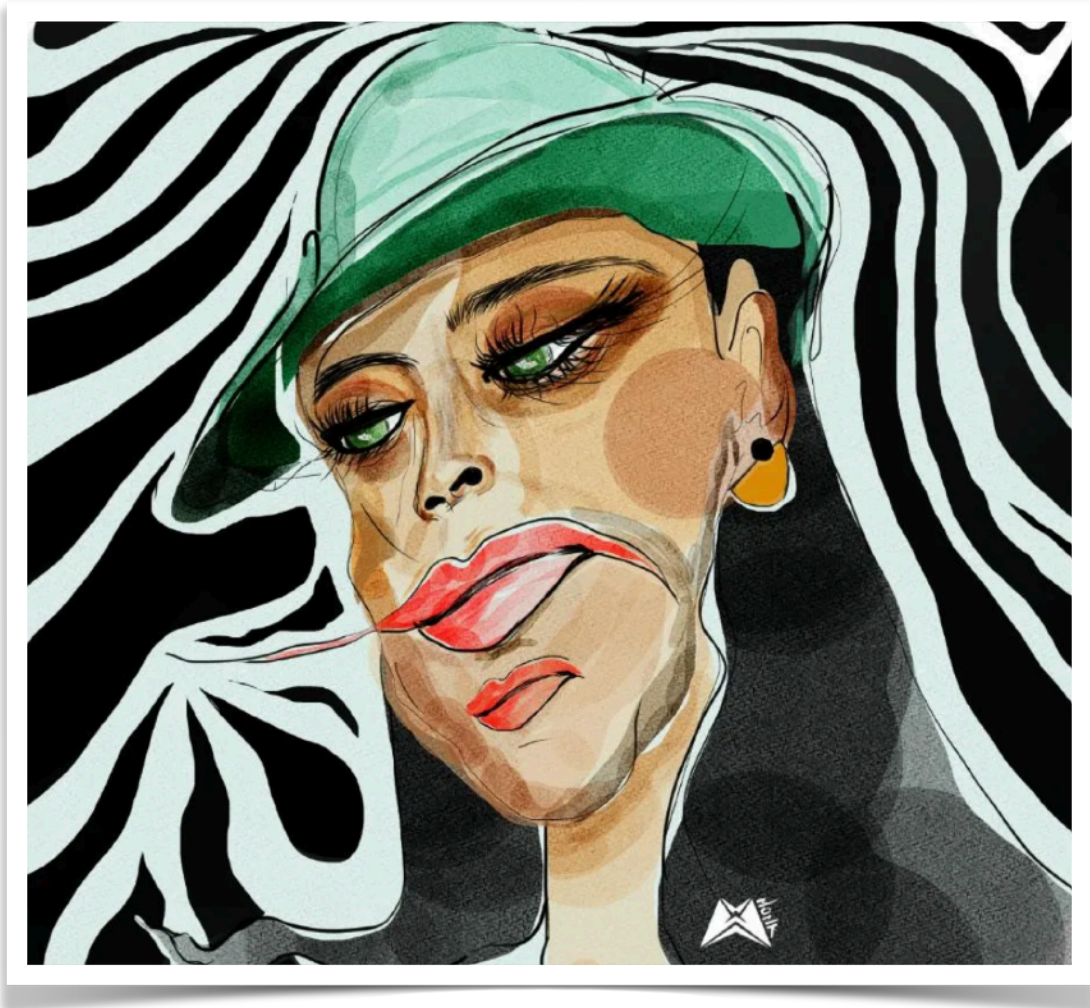

Uptick Curated is a chance to showcase some of the wonderful and talented creators from the Uptick Ecosystem. Each month we pick some of our favorites and share with the community.

We've been on the hunt for our favorite creations again, so let's get stuck into this month's edition!

Lady Green Hat | The Monk

This month, we kick things off with a weird and wonderful Picasso-esque creation from 'The Monk' titled *Lady Green Hat*. We loved the playful distortion of features and bold use of lines, creating a hypnotic effect with the swirling black-and-white backdrop.

Floral | Chrispy

Chrispy's Floral offers a beautifully creative double exposure that merges vibrant blossoms with the outline of a hand, set against a serene sky. It's a composition that feels incredibly surreal in its intention, which we thought was great.
