

# Uptick Curated

## June Edition

*Uptick Curated is a chance to showcase some of the wonderful and talented creators from the Uptick Ecosystem. Each month we pick some of our favorites and share with the community.*

*We've been on the hunt for our favorite creations again, so let's get stuck into this month's edition!*

## Guy McFly #104 | Petey McFly

Our first featured artwork for this month is by digital artist Petey McFly, a piece that impresses with its striking imagery and symbolism. The artwork, depicting a figure typical of his wider 'Guy McFly' NFT collection, features a celestial scene in place of a head and was chosen for its minimalistic yet unique representation of introspection and cosmic connection.

## **BLOOM AMID THE CITY | Motri**

Our next curation is “Bloom Amid the City” by Motri, a wonderful concept photography piece. Inspired by the model’s life journey, the image portrays an islander girl who migrated to Madrid to pursue her dreams of becoming a great artist. The model’s vanishing, sad look in front of towering steel buildings really evokes that poignant sense of displacement and aspiration.

## Elephant Temple | Chrispy

“Elephant Temple” by Chrispy, is a surreal double exposure shot of an elephant statue and a temple in Laos. This image beautifully blends the ornate details of the temple with the serene presence of the elephant, overlaid with vibrant floral elements. The composition displays a sense of cultural richness and spiritual tranquility, highlighting the intricate beauty of Laotian culture.

## Ajisai | Asaborake

Our next feature is “Ajisai” by Asaborake, an intricately designed piece that beautifully captures the essence of traditional Japanese culture. We loved the peaceful scene that seemingly transports its viewers to a tranquil, timeless moment, celebrating the elegance and tranquility of Japanese heritage.

## **Surreal Fashion Art | AbstractLoop3D**

“Surreal Fashion Art” by AbstractLoop3D is a super vibrant piece that seamlessly blends the boundaries between fashion and art. We were really impressed by the fluid, pastel-hued fabric that appears to merge with her form in a dreamlike manner.

## **Sketch Book #51 | BambooU**

Our next curation by digital artist BambooU catapults viewers to an imaginative, futuristic landscape. The artwork, showcasing a lone figure in Halo-like armor standing before a surreal vista of towering spires and vibrant trees under a celestial sky, sets the scene and gives it an otherworldly, ethereal look.

## Library | Oivato Agosto

Our next feature by digital artist Oivato Agosto, "Library," impresses with its incredibly surreal nature, featuring an otherworldly library where the unexpected presence of a shark swimming through the aisles creates a striking contrast. We loved the dream-like quality that was created here.

## Glowguard | Pixel Beasts

“Glowguard” by Pixel Beasts taps into the classic nostalgia of Pokémon with its vibrant pixel art style. We thought the retro charm this brings was great, reminiscent of classic video games, and with the fantastical creature design sparking the imagination.

## Yuanyang CC3 | Fabio Nodari

This photograph captures the intricate patterns and vibrant colors of the terraced fields in Yuanyang, China. The flowing lines and rich hues create a natural pattern that highlights the harmonious relationship between human cultivation and the landscape. This piece was chosen for its awe-inspiring beauty and its ability to convey the remarkable artistry found in nature.

## Do Panic | bl00mer

Last, but certainly not least, “Do Panic” by bl00mer, captures attention with its provocative and thought-provoking imagery. The juxtaposition of an object associated with safety engulfed in flames, combined with the play on words, creates a powerful message about anxiety and urgency.
